

DEDICATION OF NEW FELLOWSHIP HALL

On Sunday, December 27, 2015, Zion Lutheran Church of Mission Valley held a dedication of our new Fellowship Hall and Education Building. We are so excited to achieve this accomplishment after two years. The million dollar facility is 10,000 sq. ft. and will seat approx. 400 people. There is a youth room, library, multi-purpose room, kitchen with large pantry and five Sunday School rooms. The Fellowship Hall also has a 26'x13' stage and 16'x10' movie screen. A large oak tree had to be removed for the new construction. Some of the oak wood was milled by a local Mission Valley craftsman. The 4'x8' oak cross that is mounted on the wall in the Fellowship Hall was then built by a church member. The wording around the cross says "Lift High the Cross, the Love of Christ Proclaim". We invite and welcome you to worship with us. Sunday School and Adult Sunday School start at 8:45 a.m. and our traditional worship service begins at 10:00 am with communion on the 1st and 3rd Sundays. Every Wednesday evening, Pastor Judge, has a Bible Study, "Got Questions?", at 6pm. Pastor will answer questions about the Bible, so bring them to the study. Also, we are looking forward to our Centennial Celebration on Sunday, March 6, 2016.
